

Jeanne,

I'd be glad to offer a testimonial and have included a pic. I also would like to say thanks for the DVD you sent out of the bengals around the Xmas holidays. I absolutely loved it.

I adopted my boy Bengal, Tigger, from Maplewood Manor in April of 2008. Tigger has brought so much pleasure into our home and is a thriving and healthy member of our family. My experience with Jeanne and Maplewood Manor was extremely pleasant and I would not hesitate to return for any future Bengal adoptions and have recommended them to friends who are in search of an interactive, entertaining and intelligent breed of cat. I have had cats as pets my entire life but I've never encountered any before that equal a Bengal's personality or character. Any true cat lover needs to experience a Bengal!

Thanks,

Debbie
